

## NYUAD Campus Cats 2023

All listed cats (**except those in red**) are Neutered/Spayed, Microchipped, and Vaccinated •

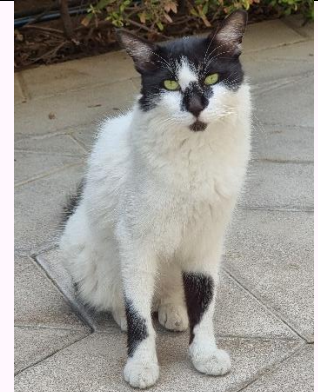

### A4-A5 Colony

**Emilu/StreetCat**

**Ginger**

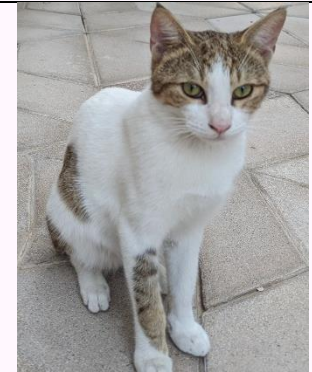

**Zorro**

**Tabasco**

**Caramel**  
(sometimes on the highline)

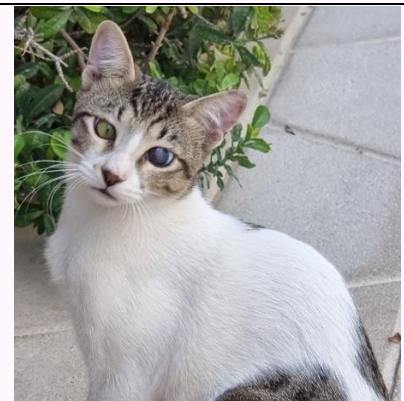

**Midori** (neutered but no ear clip)

**KitKat**

**Megumi**

**Muji**

• As of the time of writing this list, NYUAD's leadership is providing our campus cats' food, in addition to some financial support that is reimbursement-based. Mayada Oudah (a postdoc at NYUAD) has been the primary caretaker of campus cats since 2018 – this involves taking care of their medical needs, feeders, rehoming when needed, and shouldering their medical bills with the help of other volunteers and generous community members.

## NYUAD Campus Cats 2023

**Taro**

**Churu**

**Tom (often on the highline)**

### A6-D2 Colony

**Roger/George**

**Taichi**

**Moo**
